

VELUX®

The No Leak Skylight™

Fixed Skylight

Deck and Curb-Mounted

Bringing light to life™

Enjoying the light.

Why Skylights?

We often ask, "Why skylights?" but with countless reasons to enjoy more natural light in your home, we really should be asking, "Why not skylights?" Natural light is a powerful designing tool that continuously redesigns the look and the feel of your space every day. But it doesn't stop there. By bringing more light into our homes, our moods are boosted, and our health and well-being are improved. So, really, why not skylights?

Your Home. Your Skylight.

Homes full of light are homes full of life. When thinking about renovating your home, before you do anything else, look up and say "hello" to your fifth wall. As the most unnoticed, yet impactful wall in every room, your ceiling can be your next design space. It's time to change more than just your wall color; transform the look and feel of your entire home with VELUX.

Ambient Light

Light entering your home and bouncing off your walls and floors gives the space a glowing look and feel.

Privacy

Unlike vertical windows, your skylight is positioned on your roof to help protect your home's privacy down below.

Lower Electric Bill

Turn off more lights in your home by soaking up all the free, natural light from above.

Unique Design

Add the finishing touch to your skylight by adding any VELUX designer blind.

Visually Expand

With endless amount of sky views, your skylight can visually expand the look and feel of your space.

Meet your skylight.

The Room Brightening Skylight

The discreet nature of the VELUX Fixed Skylight offers endless sky views and dramatic transformations without obstructing your roofline.

Choose the Go Solar option with this skylight and the entire cost of product and installation is eligible for a 26% Federal Solar Tax Credit.

1

Neat® Glass

Exceptionally smooth glass that disperses water evenly, reduces unwanted outside noise by up to 25% more than standard double pane glass, and up to 50% more than a plastic skylight.

2

Daylight

Visually expanding your home with sky views and bright, natural light, the skylight brings in plenty of daylight to reduce your dependency on electricity.

3

No Leak Promise

When you install a VELUX skylight, it carries a No Leak Promise and Warranty that covers your skylight with a 10-year installation warranty, 20 years on glass, and 10 years on the product.

Eligible for a

The Logical Choice

In 2008 and 2009, two acts were signed into law that provided homeowners and businesses with a tax credit on the purchase and installation of renewable technologies. This included products powered by the sun's energy, wind, or geothermal heat, and installed between January 1, 2009 and December 31, 2021.

This opened the door for VELUX to redesign our products so that they not only matched the spirit of the tax credit, but also worked to improve usage of renewable energy.

When you Go Solar and add any solar blind to a fixed or manual skylight, your entire purchase and installation becomes a solar system eligible for a 26% tax credit. And like we say, when you look at the numbers, going solar becomes the logical choice.

Go Solar Cost Savings:

Fixed Skylight Option

Estimated price/savings

| | |
|----------------|---------------------------|
| \$400 | Fixed Skylight & Flashing |
| + \$1,500 | Installation |
| \$1,900 | Final Cost |

\$1,900

installed skylight blinds

Safest Glass to Live Under

Clean, Quiet & Safe

When selecting a VELUX Fixed Skylight rest assured your skylight comes with our most-recommended, top-rated glass: Clean, Quiet & Safe. Named for its three biggest benefits, this glass comes with state-of-the-art, energy-conserving LowE glass, designed to keep your home warmer in the winter and cooler in the summer.

Clean: Skylights stay cleaner longer with Neat® glass coating.

Quiet: Reduces unwanted outside noise by up to 25% compared to a standard double pane glass and up to 50% compared to a plastic skylight.

Safe: Unlike tempered, this glass does not shatter into pieces when cracked.

ENERGY STAR certified products are the most straightforward way to help meet energy codes.

Most VELUX residential products are ENERGY STAR certified in all 50 states. By specifying or using ENERGY STAR certified products, architects and builders can use windows and skylights to bring much needed daylight and fresh air inside, creating more attractive buildings and livable spaces while still meeting the local energy codes.

3 Layers of Protection

The No Leak Skylight™

• No Leak Promise • No Worries

- 1 Pre-attached Seal**
Pre-attached deck seal (deck-mounted) or gasket (curb-mounted) provides a tight seal for leak-proof installation.
- 2 Adhesive Underlayment**
Adhesive underlayment for secondary water protection against the harshest weather conditions.
- 3 Engineered Flashing**
Engineered flashing for easy installation and primary water protection.

Bringing light to life™

NOTICE: ALL GLASS MAY BE SUBJECT TO UNEXPECTED AND SPONTANEOUS BREAKAGE in rare circumstances due to imperfections in the glass that are undetectable during the manufacturing and inspection process by the manufacturer of the glass and VELUX.

VELUX offers the choice of laminated or tempered glass skylights. Impact glass and comfortplus glass are all types of laminated glass. Comfort glass is a type of tempered glass. Laminated glass is a combination of two or more glass sheets with one or more interlayers of plastic (PVB) or resin. In case of breakage, the interlayer is designed to hold the fragments together. Tempered glass does not contain an interlayer to hold the fragments together. Instead, tempered glass is designed to break into small, pebble-like pieces. When tempered glass breaks, pieces of glass come loose and may strike an individual.

CONSULT LOCAL REGULATIONS AND/OR BUILDING MATERIAL CONSULTANTS TO DETERMINE WHICH TYPE OF GLASS IS RIGHT FOR YOU OR IF LAMINATED GLASS IS REQUIRED IN YOUR APPLICATION.

VELUX®

The VELUX Group creates better living environments with daylight and fresh air through the roof.
